

## TIMBOON AND DISTRICT HEALTHCARE SERVICE

We are located in the picturesque Timboon, a small town tucked into a wooded valley just 17km north of the 12 Apostles coastline. Working at our Healthcare Service will give you the opportunity to earn your living nurturing your desire to help others within a caring and supportive team environment.

We are a multi-service facility and offer wonderful opportunities for education, skill development and career fulfilment.

## OUR VALUES

### INTEGRITY

We foster an open and positive work environment through honest and ethical behaviours.

### COMPASSION

We are understanding of peoples differing needs, opinions and feelings, and treat everyone with empathy.

### ACCOUNTABILITY

We take responsibility for our actions, attitudes and decisions and the impact it has on others within our workplace.

### RESPECT

We promote an inclusive and diverse culture by valuing the differing views, qualities, needs and feelings of each other.

### EXCELLENCE

We invest in continuous development opportunities, so we can continue to deliver exceptional services to our community.

PROGRAM  
INFORMATION

## GRADUATE NURSE PROGRAM

The Timboon and District Healthcare Service Graduate Nurse Program provides a supportive year for the graduate nurse to safely make the transition from a tertiary student into a confident and competent registered nurse.

The program aims to enable the graduate nurse to:

- Work independently and interdependently assuming accountability and responsibility for their own actions.
- Provide evidence-based nursing care to people of all ages and cultural groups
- Assess, plan, implement and evaluate nursing care in collaboration with individuals and the multidisciplinary health care team so as to achieve goals and health outcomes.
- Take a leadership role in the coordination of nursing and health care within and across different care contexts to facilitate optimal health outcomes.
- Contribute to quality health care through lifelong learning and professional development of oneself and others.

## PROGRAM DURATION

The TDHS graduate nurse program runs for 52 weeks, from the 5th February 2024 to the 3 February 2025. Graduate nurses work 32 to 40 hours per week (EFT 0.8 to 1.0).

During this time you will be eligible for Supernumerary shifts, Education Sessions and Study days. You will also link in with other graduates located at South West Healthcare.
